**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic residential customer that enjoys their internet package. It is cheaper, better quality, faster, and provides immensely better customer service than the larger telecom companies it competes with (Comcast, DirectTV, Verizon). Do not allow larger corporations with more legal resources convince you that they should be the only providers allowed. We need fair competition from smaller local companies as well.
